be fully aware of what is in these bills. So let's give the young ladies a hand. Now we are sending up to you some agendas for this afternoon when we have some interesting activities. Mr. Clerk.

CLERK: Read titles. LB 30 through LB 49. (See pages 70-73.)

SPEAKER MARVEL: Have you got some other bills? The Legislature will be at ease for ten minutes while we encourage those of you out there to bring other bills up to be introduced. We will be at ease for ten minutes.

EASE

SPEAKER MARVEL: Okay, the Legislature will come back into session and the Clerk has a couple of reports and then I will recognize Senator Marsh.

CLERK: Mr. President, three new bills, read titles. LB 50; LB 51; and LB 52. (See pages 73 and 74.)

Mr. President, I have two resolutions. Read LR 1. Mr. President, that will properly be laid over. (See page 74, Legislative Journal.)

SPEAKER MARVEL: Do you have two resolutions or just one?

CLERK: Yes, Mr. President, I have a second resolution offered by Senator Koch. Read LR 2. Mr. President, that, too, will be properly laid over. (See pages 74 and 75, Legislative Journal.)

SPEAKER MARVEL: Are there any other bills that legislators wish to have introduced at this time? The Chair now recognizes Senator Shirley Marsh.

SENATOR MARSH: Mr. Speaker and members of the Legislature, the caucuses will need to meet. There are vacancies which the caucuses did not address yesterday on Administrative Rules and Regulations. There are six members to be appointed, two from each of the three caucuses for the Executive Board. Then there are four persons to be appointed for Rules, one from each of the four caucuses for Committee on Committees and one each from the four caucuses for Intergovernmental. So you will have to have two different caucuses meetings and then immediately upon the decision which should be brought to me the Committee on Committees will meet so that this can be completed for the purposes of an official announcement plus the publication of them. This cannot be done until this is finalized so we need to have the caucuses meet immediately, Mr. Speaker.
